FEE POLICY & INFORMATION

- **Full payment of fees is due before each treatment.**
- Cancellations without a 48hrs notice will result in a \$50 charge.
- If a cycle is cancelled at any point, please ask for our refund policy.
- Medication costs are not included in this list.
- Payments can be made by Visa, MasterCard, Interact, Cash or Cheque.
- Refunds are processed in exactly the same manner as payment was made (except for cash and Interact payments). The original receipt must be returned in order to be eligible for a refund.
- A valid Canadian Health Care card must be provided. All encounters with physicians are partially covered by your provincial health care plan (other than Quebec) except medical procedures.
- A receipt of your visit with the psychologist is needed in order to apply the credit towards your IVF cycle.
- If you are military and are covered by your insurance, you must pay all the fees in advance and submit to your insurance for reimbursement after each visit.
- Fees may be changed without advanced notice.

Although located inside the Dr. Georges-L.-Dumont University Hospital Centre, Conceptia Clinic is a private clinic and is a non-profit organization. Costs cover the medical material used, services such as chart management, laboratory services, employee salaries, as well as the specialist physicians' fees for medical procedures.
