- **Cryopreservation includes 1 year of storage. Annual fees will apply on every anniversary thereafter and will accumulate if your subscription is not cancelled.**
- To cancel your subscription, ***you must sign a consent form*** prior to the annual fee anniversary.
- Oncology patients seeking services before treatment will benefit from a price reduction. Please consult for more information.

## FEE POLICY & INFORMATION

- **Cancellations without a 48hrs notice will result in a \$50 charge.**
- **Full payment of fees is due before each treatment.**
- **If a cycle is cancelled at any point, please ask for our refund policy.**
- Medication costs are not included in this list.
- Payments can be made by Visa, MasterCard, Interact, Cash or Cheque.
- Refunds are processed in exactly the same manner as payment was made (except for cash and Interact payments). The original receipt must be returned in order to be eligible for a refund.
- A valid Canadian Health Care card must be provided. All encounters with physicians are partially covered by your provincial health care plan (other than Quebec) except medical procedures.
- A receipt of your visit with the psychologist is needed in order to apply the credit towards your IVF cycle.
- If you are military and are covered by your insurance, you must pay all the fees in advance and submit to your insurance for reimbursement after each visit.
- Fees may be changed without advanced notice.

*\*Although located inside the Georges L.-Dumont Hospital, Conceptia Clinic is a private clinic and is a non-profit organization. Costs cover the medical material used, services such as chart management, laboratory services, employee salaries, as well as the specialist physicians' fees for medical procedures.*
